beautiful quality

They simply don't make furniture like they used to. Our people are committed to changing that. We build quality furnishings that are both timeless and unique and craft all of our pieces with the highest quality materials to stand the test of time.

custom furniture

We listen to the needs of our clients to create designs that will bring your vision to life and create an experience. The spaces we create together will strengthen your brand and be unique to you.

made in america

Our commitment to American-made products is part of who we are as a company. With a Charles Alan piece, you will be supporting American-made products crafted in Fort Worth, TX. We have also been a HUB Certified and women-owned business for over twenty years and help designers, dealers, contractors and end-users add diversity to their projects.

let's get started...

step 1: schedule a time to meet & tour

During this consultation, our design team will listen and understand your needs to create a space that supports your brand and your vision.

step 2: work with our team

Our craftsmen are some of the best in the industry, providing both quality and innovation. Our design team can take your concept and turn that vision into a space that is uniquely you.

step 3: enjoy the ambiance

After finalizing your design, our craftsmen will build your furniture in Fort Worth, Texas. We are available to help with the install as well to ensure your distinctive space is finished exactly as you envisioned.
